Requirements for Issuance of Import License for Used Motor Vehicles

Importation Criteria

The Import Licence will be issued based on the vehicle meeting the following conditions:

- Hybrid passenger vehicles, mini vans (10 or more passengers not exceeding 15 persons) and dual-purpose vehicles – 5 years from the year of manufacture and Euro 4 compliant.
- Diesel and petrol passenger vehicles, mini vans (10 or more passengers not exceeding 15 persons) and dual-purpose vehicles - 8 years from the year of manufacture and Euro 4 compliant.
- Used goods trucks, buses (16 persons or more including the driver), road tractors, LPG, CNG and solar passenger vehicles – Euro 4 compliant.

LTA requires all used motor vehicles imported from Japan, Australia and New Zealand to undergo JEVIC Inspection.

For a booking, you can contact takashi.asako@jevic.com (Japan) or booking-nz@jevic.com (Australia & NZ)

Processing

Our current processing time takes 3-5 working days provided all required documents are submitted. Once completed we will inform you via email.

Duties

Duty rates are determined by fuel type and cc rating of your vehicle. Total duty payable is calculated on the cost of your vehicle including insurance and freight in FJD.

\$10,000 luxury vehicle levy will be applied on passenger vehicles with engine capacity greater than 3000cc.
